## VIRTUES NEEDED TO RETURN TO CHURCH

(1) **Patience:** These procedures implemented are new to all of us and there will be challenges and hiccups along the way as we navigate worship in the new normal. Your patience and understanding is required to make our participation in church meaningful with minimal disruption. Remain calm even when things are not progressing smoothly or as quickly as you expect it to be. You can always submit your suggestions on how we can improve in an appropriate manner (email: admin@holyspiritcathedral.com).

(2) **Charity** : Not everyone can attend Mass every Sunday in this current situation. Let us also be charitable and wait for your turn to attend Mass.

(3) **Gratitude** : Not all parishes are the same and so please do not compare one parish with another. There are many variables in different parishes. What works in one may not work in another and vice versa. Stay focused on Jesus and be grateful for the opportunity to attend Mass at Church, that is what matters the most.

(4) **Hope** : This pandemic will not last forever and therefore, let us look forward to the day when we can return to daily / weekly masses. Till then, let us pray earnestly to God for an end to this situation. Hope is the virtue that can help us cross all hurdles and challenges that come our way – don't lose it.
