### DO YOU HAVE COMPUTERS TO GIVE AWAY / IN NEED OF A COMPUTER?

With online learning method now replacing classroom teaching, there is a growing concern that students who have no access to a working device are unable to participate in their education. This lack of device is a significant obstacle to learning, both for school and catechism.

If you have used laptop computers running with Windows 8 or 10 that you wish to give away, or if you are in need of a computer, please call CHS Parish Office for further details of giving or receiving. We will try our best to assist to connect the giver and recipient.
