NOTICE

With the new revision on the abolishment of the temperature control and log books, our position to ensure a safe environment for parishioners to attend Mass is severely compromised. The only alternative we can turn to, is to yourselves, as parishioners of CHS to take responsibility and take care of each other (*Kita jaga kita*). The new Omicron variant is highly contagious and most of the time, those tested positive do not have any fever or any of the usual symptoms of the Delta variant. As such, we appeal to all to refrain from coming for Mass especially if you have the following symptoms:-

sore throat, runny nose, persistent cough or any other symptoms related to this pandemic, irrespective of your self-test result. This would greatly help us make our church safe for us to gather together as one body to worship Him and receive the Eucharist.

COMING BACK TO CHURCH – Catechism of the Catholic Church 1324-1327 defines the Eucharist as the source and summit of Christian Life. We need to receive the Eucharist to strengthen ourselves and persevere through the trials of life. We cannot receive the Eucharist virtually and with the majority of parishioners fully vaccinated, we are encouraging all parishioners to come back and worship our Lord as one body especially on Sundays as it is a day of obligation. The dispensation was given at a time when Covid-19 was taking many lives and no vaccines were available. The situation is different now. If you are fully vaccinated, and especially if you are going to work every day, eating out, going to the market or mall, visiting relatives during CNY, you should be able to come and worship our Lord in church on Sundays as well.

THE NEED FOR EVENTBRITE REGISTRATION – We understand the frustration of some of you with our Parish's requirement to register for Mass. This requirement is made to ensure the safe environment of all who are coming to church for Mass and to avoid sending parishioners home when we reach capacity seating. The capacity seating for Mass at the moment due to Covid-19 restrictions and SOPs is 480 pax and once this capacity is reached, we would need to turn away all subsequent members and the Eventbrite registration helps to prevent this from happening. If the registration is nearing capacity, we will then take the necessary measures to find alternative venues to seat our congregation, providing the necessary audio visuals to follow the Mass properly. Although we are allowing those who do not register to come as walk-in registrations, these should be on exceptional basis only and not to be taken for granted as the norm. We humbly seek your understanding and cooperation to register for Mass to ensure all are accommodated and all can receive the Eucharist at all our Masses in CHS.
