### CELEBRATE AND PRAY FOR THOSE WITH AUTISM | 16 APRIL 2023 @ 10.30AM MASS

The UN declared 2nd April as World Autism Awareness Day to highlight the need to improve the quality of life of those with autism. Our Holy Father Pope Francis has called for a culture of inclusion, belonging and solidarity for persons with autism so that they not only receive attention but also participate, contribute to society and to the church community at large.

Please join us at the 10.30am mass on Sunday 16 April 2023 to celebrate and to pray together for all those with autism and their families. As Pope Francis has said, "by offering greater support we can contribute to breaking down the isolation and in many cases the stigma burdening people with autism spectrum disorders, and just as often their families."
