St. Paul's first letter to the Corinthians addresses many of the same topics in the news headlines today: scandals, promiscuity, debates and controversies, and issues related to prosperity versus poverty. Clearly, the struggles faced by the early Christians are in many ways similar to our own.

First Corinthians: The Church and the Christian Community explores the key elements of the gospel message that Paul introduced to a new and growing Church. Presenter Tim Gray examines Paul's advice for living an authentic Christian life in a pagan culture, as well as his teachings about the nature of grace, the Church as the body of Christ, and the most powerful gift of all—the Eucharist.

"This study has given me a renewed love of the Word, a desire to learn more, and most of all a closeness to Jesus that I have not experienced before."
—Linda F.
