#### 9. SEASON OF CREATION 2023 (SoC) AND PROTECT OUR EARTH, PROTECT OUR CHILDREN (PROTEC) CAMPAIGN YEAR 4 ARE HERE!

##### SEASON OF CREATION 2023: JUSTICE FOR ALL CREATION

St. Francis of Assisi (Feast day 04 October) showed us how love for God's creatures was closely tied to justice and peace (LS10). Creatures of nature have the right to live with dignity too. When we heat up, pollute, deforest and destroy the planet without regard for the poor or other beings in nature, we are violating their right to a just and peaceful life. When we hurt the Earth, we only hurt ourselves.

##### JOURNEY TOWARDS A LOW CARBON FUTURE AT CHS

Biodiversity is being lost at an alarming rate and the future for the young people are threatened by the cascading impacts of the loss of biodiversity and a changing climate. The urgency grows. We ask you to take part of this journey together by adopting the following practices:-

1. Cut Fuel Consumption
2. Reduce Waste – BYOC – Bring Your Own Container and Avoid Single-Use Plastic
3. Segregate Waste to Reuse / Recycle
4. Grow a Plant with Us – Replenish our Carbon Footprint

##### Hands On Waste Segregation

Hands on as a family, ministry or BEC at the waste segregation centre to understand and experience how we can minimise waste. Visits can be scheduled between Mondays to Saturdays in the month of September. Registration via google form:
